

**IOI PROPERTIES**

## **ENERGY POLICY**

IOI Properties Group (“IOIPG”) believes in promoting sustainable practices in our operations. We embrace implementation of energy efficiency measures and energy conservation practices in our shopping malls, office buildings, hotels and leisure.

We are committed to

- Demonstrate stewardship in driving and improving our energy management system in properties managed by us
- Comply with applicable statutory or other requirements related to energy usage and efficiency
- Embrace renewable energy sources to reduce carbon emission
- Implement energy efficient measures or technologies and adopt energy conservation best practices to improve energy performance
- Promoting and nurturing our employees to embrace energy conservation as a way of life

**Trusted.**
